

22nd Annual Gross Revenue Report—Refrigerated Fleets

THIS is an abbreviated version of the annual revenue report for 2008. Due to a shift in our editorial calendar when *Refrigerated Transporter* transitioned to an online-only format, this annual report was not published in September 2009. It was compiled retroactively from figures we obtained from data used

in the previous survey and the one to be published online in April 2010.
